Tour Name: Mokoro Overnight

Tour Days: 1 night 2 days

Explored wilderness parks: Okavango Delta village access channels

Start: Maun
Ends: Maun

Day 1

Arrival and Activities

Guests will be picked up by Kala Safaris, Safari guide from a safari lodge in Maun or Maun International Airport. Guests will be picked in a 4x4 open game viewer followed by safari game viewing safety briefing. A two and half hours drive or transfer to a Mokoro Village station bordering the Okavango Delta will start on a dirt bumpy terrain. Guests will arrive to be transferred from land in to water. Guests will experience their first Mokoro ride as they will be making their way to the island camping site to off load luggage and other personal items. Depending on the time guests will arrive in Maun and the Okavango Delta islands and the degree of the suns heat waves of the day. Guests may have lunch and relax in camp until the late afternoon when it will be cooler to do a guided walking safari on the islands as an afternoon activity. If the guests have arrived in time, the walk may take place during the day before lunch followed by another mokoro ride in the late afternoon for more aquatic game viewing. The day will end with a three course dinner on the islands and conversations around the camp fire.

Guests have an option of doing an hours visit to a baby elephant orphanage while on route to the Mokoro village station. The visit allows guests to take pictures with and have interaction with the baby elephants or eles.

Day 2

Activity & Departure

Depending on the time of flight departure from Maun. Guests may rise to have breakfast and do the last mokoro ride as part of the transfer from the islands to the mokoro village station, where they will be picked up by a 4x4 transfer vehicle to be dropped off in Maun International Airport or safari lodge. If departure time permits for guests to explore the Okavango Delta. Guests will do a full morning experience mokoro ride in the cool morning breeze of the islands before being transferred back to Maun.

Camping in the Okavango Delta is not limited to 1 night 2 days, Guests can request any number of days they seek to enjoy the Okavango Delta. But one has to note that the only activities that are available to be done are guided walking safari, mokoro rides and village tours depending on the village station used at the time. To spend more time in the Okavango Delta one will have to be a guest purely seeking peace, silence and tranquillity while in the presence of roaming wild animals, bird melodies while only doing mostly walks, mokoro rides and spending most of the day in camp reading, writing etc.

Guests have an optional activity of doing a scenic flight or Helicopter ride over the Okavango Delta before or after the tour starts.
